Key

- One-way system
- 24 hr bus lane
- Suggested route
- P Car park

If driving to our offices, please approach from the A134. At Middleborough roundabout, at the bottom of Balcerne Hill (keeping the Octagon Building immediately on your left), exit the roundabout and go straight across the traffic lights into St Peters Street. Take the first right into Short Cut Road then the first left into Northgate Street. Take the first right into West Stockwell Street and follow the road up the hill. Our entrance can be found on the RHS opposite the church.

We have limited parking available and so please phone in advance to request a space. If on-site parking is not available the nearest public car park is the NCP in Nunn's Rd which has a pedestrian access on to West Stockwell St.
